Handbook of the Renaissance: Europe 1400-1600 is an introduction to the ideas, inventions, art and music of Europe's era of rebirth. Momentous events and scenes of everyday life are woven together to present a tapestry of the Renaissance. Original source quotations, many period illustrations and discussion questions are included in brief chapters on education, important people, health, women during the Renaissance, manuscripts, books and libraries, fashions, entertainment, and the Age of Exploration. Includes several timelines, bibliography and list of recordings. Illustrated. 8 1/2 x 11."
